

# Lesson 5 – The Glorification of Busy = Stress

How many of us cause our own \_\_\_\_\_ and \_\_\_\_\_ strain or tension by putting too much on our plates?

Satan knows that if he can \_\_\_\_\_ us we will not be much use to the \_\_\_\_\_ of God.

But God calls us to \_\_\_\_\_.

The doing is \_\_\_\_\_ and has to be done, but it should never be a \_\_\_\_\_ for worship.

Cumbered means \_\_\_\_\_.

Martha was neglecting the main thing and that was \_\_\_\_\_.

Many times we are guilty of \_\_\_\_\_ rather than \_\_\_\_\_.
